The Amnicon Town Board hopes that your 2023 was safe and prosperous. As 2024 quickly approaches, we find that again we are looking forward to a very busy and exciting year.

The town hall is available to all community members and civic groups who desire access to a public place for their special events, such as town meetings, senior events, weddings, graduations, birthday parties and get-togethers for a nominal fee. ~~If you have not driven by the town hall recently, we converted the old town hall into a pavilion. It was done with volunteer labor. We have also installed an electronic billboard which will have current events posted. We have installed a generator so the town hall will be able to be used as an emergency shelter in the event of power outages or other disasters.~~ These were purchased with ARPA funds (American Rescue Plan Act) which was only to be used for community upgrades. The pavilion is available to use if you want to reserve it there will fee. Otherwise feel free to have a picnic or gathering.

Contact Susan Amys to reserve the date and time. Her # is on the website.

The Town of Amnicon has a website at [www.townofamnicon.com](http://www.townofamnicon.com). This site will be kept up to date regarding meetings, notices, minutes, and agendas. If you would like to be on the email list for notifications, please email [amincon000@centurytel.net](mailto:amincon000@centurytel.net).

**\*Fire number signs \* Please maintain them and keep them clean & debris free so that emergency drivers can see them quickly and clearly!**

The Fire Department will again have 2 fund raising events this year- April and October. Thanks to all who have already donated! It allows us to purchase equipment we cannot budget for! We were able to purchase a UTV for Wildland and remote rescues with ARPA funds

Also, a reminder it is **ILLEGAL** to plow your snow across town roads! Please comply with this as it creates a hazard.

Upcoming important events include: 2024

Spring Primary February 20, Spring & Presidential Election April 2, Partisan Primary August 13, General Election November 5

Annual Meeting April 16, Board of Review in May,

Have a Great Holiday Season!
